

HERSHEY TRACK & FIELD

For Boys & Girls Ages 7 & 8

Hershey's track & field program was created over 30 years ago to promote youth physical fitness and provide fun learning experiences for children 7 to 8 years old. Youth track & field is a great way to get kids started in a physical fitness program. It's the largest youth sports program of its kind in the United States and Canada. Join us as we help kids discover their potential, make new friends, and gain newfound self confidence. Every child is a winner with the Hershey's track & field games!
